Remarks

Welcome to this charming 3 bedroom 2 bath single-level home in Monterra Village! 2021-built and still looking new, plus it sits on a premium lot adjacent to a green belt. Enter to find an immaculate interior, with tile flooring in every part of the house except for the master closet. The kitchen has beautiful cherry cabinets, center island with sink and pendant lights, walk-in pantry, and stainless appliances including the fridge. There is also an R/O system and whole-house water system. The master bedroom is split from the other bedrooms for privacy, and boasts double sinks and a HUGE walk-in closet. The backyard is fully landscaped, with a custom pergola to extend the covered patio, and low-maintenance artificial turf.
